Subject: Request to vote "NO" to Dundas public laneway sale

To whom it may concern:

I have been following the development of public opposition to the Dundas laneway sale through my father, Jordan Hill. I support his views on the matter as I know him to be an honest and passionate political activist for the environment and community of any town he has lived in.

As a fellow resident of Dundas, my views are simple: I believe in standing up as a group and as an individual against partisan politics for the sake of our children. I hope these letters from members of the community will be enough to sway the council's decision and make a wrong right.

Sincerely,

Amanda Lakhanpal
