Please consider retaining the currently unassumed alley between Alma and Victoria parallel to Sydenham as a city asset. This is a charming part of our small town that I have used many times to take my son to his daycare, sometimes on a sled, sometimes on a run bike.

The process of virtually giving away the alley to a developer is highly problematic. It is deeply frustrating that our opinions as neighbours were solicited then completely ignored. Council should at least consider delaying this decision in order to revisit how these decisions are made.
