Please vote NO, or at least PAUSE, until the Heritage can voice an opinion. Laneways were such an important part of my childhood in Hamilton, a little break in the paved world. Leafy and quiet, a bit of nature. All councillors should try walking along Sydenham with the traffic roaring by beside them, as it IS a major road, and then the laneway.

This will be impacting children and all people walking in the area.

I feel strongly that one person, even if they do have strong business ties with the city, should not be allowed to adversely affect an entire neighbourhood.

Let this laneway stay, as the Best Place to Raise a Child.
