Subject: RE: Dundas Laneway

Mr. Mayor & Councillors,

I am e-mailing to add my name to the growing list of Dundas residents who oppose the selling of the laneway connecting Alma and Victoria Streets for \$2.00. This laneway and many others are part of the fabric of Dundas and shouldn't be sold off so one person can have an extra parking space or more privacy or just not have to pick up dog excrement.

I hope that when the council meets to make their decision on this matter that they will vote no. As elected members, the City should be representing everyone and if the majority of people are opposed, then that is how your decision should be made.

Respectfully

Andrea Dalrymple
