

City of Hamilton Clean Water Wastewater (CWWF) Approved Projects

CWWF Project ID	Project Description	Total Eligible Cost	Federal Contribution	Provincial Contribution	Estimated Completion *
C-HAM-001	Mountain Trunk Storm Sewer - Structural rehabilitation and repairs of 400 metres of 4.5 metre by 5.4 metre arch shaped concrete storm sewer	\$ 10,500,000	\$ 5,250,000	\$ 2,625,000	March 2019
C-HAM-002	Watermain Structural Lining - internal lining of 4.5 km of metal watermains, to reduce the occurrence of watermain breaks and to extend the asset service life	\$ 7,000,000	\$ 3,500,000	\$ 1,750,000	March 2018
C-HAM-003	Wastewater System Lining - lining 20 km of brick, concrete, clay, and Polyvinyl Chloride (PVC) sewers up to 1500mm diameter, to reduce occurrence of structural failure and backup issues	\$ 6,555,763	\$ 3,277,881	\$ 1,638,941	March 2018
C-HAM-004	Woodward Wastewater Treatment Plant Methane Storage Facility refurbishment and exterior repainting	\$ 4,000,000	\$ 2,000,000	\$ 1,000,000	March 2018
C-HAM-005	Construction of New Corrosion Control Building at the water treatment plant	\$ 3,080,000	\$ 1,540,000	\$ 770,000	December 2018
C-HAM-006	Construction of new Lynden Water Treatment System	\$ 2,600,000	\$ 1,300,000	\$ 650,000	March 2019
C-HAM-007	Osler Road Pumping Station Rehabilitation - rehabilitation of the existing pumping station	\$ 1,500,000	\$ 750,000	\$ 375,000	June 2018
C-HAM-008	Condition Assessment Program for Mainline Sewers throughout the City	\$ 1,500,000	\$ 750,000	\$ 375,000	March 2018
C-HAM-009	Freelton Water Tower Structural Upgrades	\$ 1,425,000	\$ 712,500	\$ 356,250	December 2018
C-HAM-010	Western Interceptor Sewer CCTV and Sonar Inspection	\$ 1,400,000	\$ 700,000	\$ 350,000	March 2018
C-HAM-011	Ben Nevis & Dewitt Water Pumping Station Upgrade	\$ 1,200,000	\$ 600,000	\$ 300,000	December 2018
C-HAM-012	Sewer Lateral Rehabilitation Program for private drains throughout the City	\$ 1,000,000	\$ 500,000	\$ 250,000	March 2018
C-HAM-013	Metallic Watermain Condition Assessment Program	\$ 800,000	\$ 400,000	\$ 200,000	March 2018
C-HAM-014	Prestressed Concrete Cylinder Pipe Condition Assessment Inspection Program	\$ 500,000	\$ 250,000	\$ 125,000	March 2018
C-HAM-015	Elgin St. Rhodes Court and Calvin St. sewage pumping station rehabilitation.	\$ 430,000	\$ 215,000	\$ 107,500	September 2018
C-HAM-016	Critical Watermain Inspection Program	\$ 400,000	\$ 200,000	\$ 100,000	March 2018
Totals		\$ 43,890,763	\$ 21,945,381	\$ 10,972,691	

* Requests need to be submitted to Infrastructure Ontario to obtain approval for project extension beyond March 2018.
