Dear Mr. Zegarac

KPMG's term of audit services is expiring with the completion of the 2016 audits. In the past five years, KPMG has enjoyed serving the City of Hamilton and its related organizations. We have developed mutually good working relationships with senior management of the City as well as with many of the councilors and staff.

KPMG has a long-standing history in Hamilton and the surrounding communities. With our staff of over 100, our Hamilton office serves the geographic area from Brantford to Milton to Fort Erie. We have one of the largest audit, advisory and tax practices in the area. Our professionals are made up of advisers who understand the challenges and opportunities facing organizations, businesses and individuals locally and regionally, across the country and around the world.

We have remained committed to the City of Hamilton and as a sign of our commitment, we have chosen to continue to have our offices located in the City's centre. We think of ourselves as Hamilton's accounting and auditing firm.

We would like to continue our audit relationship with the City but we understand that the Municipal Act requires a reappointment every five years. We are offering a fee of \$215,000 annually for the 2017 to 2021 audits as outlined in the attached fee schedule. Our hourly rates for audit services in addition to the audits in the fee schedule are set out below. A reappointment would save considerable time and effort on the part of your finance team going through an RFP process.

Sincerely,
