Message Body:

I am unable to attend the meeting at city hall tomorrow and also did not have enough time to put in writing my thoughts regarding the zoning change request to build a four story multi use building on Hwy. 56. Hence, my email to you. I want it to be known that I oppose a 4 story anything. I think the 3 story Elizabeth Gardens building that we have now is very nice and a sister building would complement it very nicely. But it also needs to be 3 stories.

Regards,
Jean Rigg-Brown
