Dear Honourable Mayor & Council:

Re: Item 6.3 AF&A Committee Report (item 5.5 2017 Second Quarter Non-Compliance with the Procurement Policy Report FCS17012(b))

Within the above report, Appendix A, shows a \$95,000 non-compliant disbursement from our Tourism&Culture division to the Hamilton Waterfront Trust.

Can someone on Council please provide the public with some transparency and ask about the details of this disbursement? It doesn't appear that this is a repeat expenditure that was shown on a 2016 report.

The timing of the city providing the HWT with \$95K just weeks before the HWT provides the city with \$115K for 2015 taxes has led to this query.

Respectfully,
