Dear

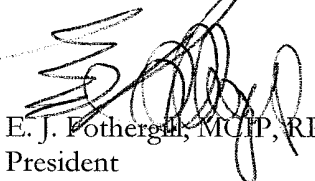

**Re: City of Hamilton Commercial Zoning By-law  
- Flamborough Power Centre**

At the Public Meeting in the spring, I appeared in front of Committee on behalf of Flamborough Power Centre expressing concern with some elements of the proposed Commercial Zoning By-law. Since that time, I have had the opportunity to meet with and dialogue with Mr. Tim Lee of the Planning Department. As a result of those discussions, I am pleased to report that, with the changes being proposed by staff to the Committee, Flamborough Power Centre is supportive of the By-law as proposed.

We wish to thank Mr. Tim Lee for his diligent work in addressing our concerns, and to Councillor Partridge for her ongoing support of this most important project in the Town of Flamborough.

Sincerely,

**FOTHERGILL PLANNING & DEVELOPMENT INC.**
