From March.

And if you do pass a motion at the meeting, could you pass this message:
I regret that my class schedule prohibited me from attending this committee's meetings and I appreciate the work you continue to do towards gender equity.
Thanks,

Hi Maxine,

I am sorry I haven't submitted a formal resignation, it fell off my radar as I had reached out to say I cannot attend any meetings and in my mind that was closure.
Please accept this as my formal resignation from the status of women committee. All of my course work has been on Thursdays and I cannot attend any meetings. I hope to join in when I have free and accessible time.

Thanks you,
Robyn
