**Subject:** Committee Resignation

To my fellow SWC committee members,

In September, I began my Master of Global Affairs at the Munk School of Global Affairs in Toronto. Students at the Munk School seek to develop a deeper understanding of global affairs, to hone their professional abilities, and to acquire the strategic agility and cultural fluency necessary to effect change on an international scale. It is a very immersive program, and the transition has been demanding, to say the least. It is because of this demand that I must sadly resign from the committee.

Being a part of this committee and working alongside each of you has meant so much to me over the past year, and being co-chair along with our incredible Laura Cattari has been an honour. Each of your commitment to your family, career, and community is remarkable and has inspired me to pursue an equally full life. I am deeply grateful for my time on SWC.

I very much hope to rejoin the committee when time and geographic constraints allow, but in the meantime, I take heart that someone closer to home will be able to give it the fullest extent of their attention. The important work of Status of Women deserves no less.

Wishing each of you all the best,

Micaela Corcoran
