Dear Mayor Bratina:

Thank you for your letter of September 29 providing me with a copy of council's resolution regarding industrial wind turbine development. The views of our municipal leaders are very important to me, and I appreciate your keeping me informed of council's activities.

I note that council has also informed several of my Cabinet colleagues of this resolution. I trust that the ministers will also take council's views into consideration.

Thank you again for the information. Please accept my best wishes.

Yours truly,
