Please send my comments to the Planning City Staff and the Clerk's Dept.

What I like: To have the general public informed of provincial law that is forming the zoning in the Draft, at these meetings. The residence seem to be under the belief that they make zoning decisions. Also spread out more local commercial zoning.

What I don't like:

That at the general meetings a more strict agenda is not maintained. Too many personal agenda's are forced on the general public.
