Dear Sir/Madam,

Subject: Files: ZAC-17-002 and UHOP-17-002 – Zoning Law Amendment for Lands Located at 558
Golf Links Road, Ancaster (Ward 12)

I am writing to protest the proposed zoning amendment, a change to Major Institutional, comprising of approximately 400 units. My family lives in the immediate area, at Charterhouse Crescent, and believe that rezoning 558 Golf Links Road into a multiple resident area will cause further congestion and danger to the residents. The location is already congested, due to Meadowlands shopping center and a very busy intersection at McNiven Road and Southcote Road. There is an elementary school on McNiven road and many pedestrian children walk to school in the area. An addition of 400 units will be dangerous, particularly since cars come up a blind hill on Southcote and turn right or left to major street, Golf Link Road, while a high density of cars coming from McNiven Road do this as well. The additional density of population will make this corner substantially more dangerous.

Please deny this rezoning.

Thank you,

Arvind Sahay
