

Form: Request to Speak to Committee of Council

==Committee Requested==

Committee: Public Works

==Requestor Information==

Name of Individual: Arthur Gallant

Reason(s) for delegation request: This committee will be investigating low-income transit options. I want to briefly speak to the committee about the challenges I face taking transit as somebody with low-income. Sometimes I have to decide between taking the bus to the doctor's or the grocery store; I can't do both. If the committee considers recommending low-transit options, than I don't want it to be done in a way that's stigmatizing (aka special coloured bus tickets for people with low-income).

Will you be requesting funds from the City? No
