If you would like the committee to see your thoughts you can e-mail the clerk Ida Bedoui and she will place your comments before the committee. If it is approved it will need to go through site plan approval. If you make an appointment with my EA Kathy Bishop I would be please to meet you at your convince at my Ancaster Office to go over it with you.

I have copied both Ida and Kathy on this e-mail.

Thanks for the 48 hour notice to something that will impact my entire neighbourhoods daily life. UNFORTUNATELY I am unable to attend on such short uniformed notice as I do have profesional commitments. Keep in mind the inadequate infrastructure of this town already before any hasty decisions are made.

Thanks

Dear Lloyd

The idea of changing the zoning for McNiven and Southcoast requires much more thought than tax dollars and personal benefits of those directly involved. A PUBLIC meeting for all residents is necessary to educate the ones making such decisions. I hope as an Ancaster representative you too feel this is necessary. Awaiting your response.

Thanks
