Reason(s) for delegation request:

I didn't know how to submit my written comments for Dec 4th meeting Re: Files ZAC-17-002 and UHOPA-17-002 for law amendment for 558 Golf Links Rd. Please pass this along.

I have lived on Golf Links for 23 years and walk my grandchildren to school on McNiven. Over the years these roads have become very congested with high volume traffic. Very unsafe for children to walk or ride their bikes, but also unsafe for us residence who live on the street to back out of our driveways. I can't drive down McNiven in the morning because of a line up of traffic waiting to get into the school parking lot. I sit in my living room typing this letter as a car every 5 second going zooming by my window. Tried to sell my house twice and not one offer as everyone said the traffic on this street is a nightmare. These streets cannot handle any more volume of traffic. The proposed building on 558 Golf Links , with 300 plus parking spots, delivery trucks in and out and ambulances is a BIG mistake, especially with an entrance onto Golf Links Rd . How is any one going to get around the corner now, or down Golf Links. Will you be requesting funds from the City? No
Will you be submitting a formal presentation? No
