

PETITION

To: Tiffany Singh Co-ordinator, Planning Committee:

We the undersigned **object** to any proposal to change the bylaw for a property still owned by the city. It is our understanding that the alleyway included in your survey still belongs to the city and **not** the developer.

We have been given to understand that the city is not interested in hearing from residents not directly impacted by the sale of city **assumed** alleyways and therefore have only circulated this petition to **those directly affected** by such sale.
