Afternoon Nancy,

No one in our area is able to attend Monday's PW meeting, but we're hopeful either you or someone on the PW Committee can address what will still be a lack of locations to load Presto Cards for our community in Ward 10.

The North half of our whole ward is without a location. This would primarily be the transit passengers who use the #2 Barton as well as the #55A Stoney Creek along Barton possibly to or from the #2 bus.

It appears we need a voice to ensure small local suppliers of bus tickets continue until this can be resolved.

Respectfully,

Lakewood Beach Community Council
