- Indicate if the municipality would be setting a lower AMR threshold for non-luxury market rental units different from provincial threshold of 175% AMR;
- Whether the municipality plans to use the funding to provide rebates covering the full amount of the development charges they collect or partial rebates, as well if these would vary on a on a site-by-site basis;
- Current and proposed mechanisms (e.g., bylaws restricting conversions) that the municipality would use to ensure that a development receiving rebate funding under the program remains rental; and
- How much funding municipalities anticipate would be needed for this program on an annual basis for each of the five fiscal years, starting in 2018-19 (municipalities can choose to identify funding requirements only for certain years).
