What Members Are Saying About CAPG

CAPG is a strong, relevant national voice for civilian governance of policing. It works collaboratively and proactively with members and partners to enhance civilian governance of policing in Canada. The CAPG represents its members' views to the federal government, through members' resolutions and federal lobby days. It facilitates information exchange, education and advocacy for municipal police governing bodies and First Nations police governing authorities.

A significant recent CAPG initiative, for example, is the development of the CAPG First Nations Police Governance Council which should have an impact on the shaping of a new First Nations Policing Program in collaboration with Public Safety Canada.

The CAPG collaborates with other police services sector stakeholders across the nation, including police leaders, police sector associations, provincial, federal and municipal governments and their departments, police learning organizations, and business partners.

The Vancouver Police Board has been a member of the CAPG since its

inception. Our Board members derive significant value from the various CAPG services. I believe CAPG is the collective voice of its members and partners in Ottawa on policing and public safety.
