WHEREAS Ontario Regulation 366/09 under the *Highway Traffic Act (Ontario)* being a regulation to govern the use of Display Screens and Hand-Held Devices provided for a time limited exemption to the use of hand-held devices by employees of or persons contracted to a road authority while they are engaged in road patrol, repair, maintenance and construction;

AND WHEREAS Ontario Regulation 366/09 has been amended by Regulation(s) 253/12 and 475/17, which have extended the exemption for the use of hand-held devices by employees of or persons contracted to a road authority while they are engaged in road patrol, repair maintenance or construction activities to January 1, 2018 and then again to January 1, 2021;

AND WHEREAS the uncertainty concerning ongoing consultations and extensions of this regulation places undue stress on municipalities and contractors alike who must rely on hand-held radio communication for safe equipment operation while carrying out road patrol, repairs, maintenance or construction activities on Ontario roads;

BE IT THEREFORE RESOLVED THAT the Council for the Municipality of West Nipissing requests that the Province of Ontario, through the Minister of Transportation, amend Regulation 366/09 to provide for the permanent exemption for use of Hand-Held Devices to employees of or persons contracted to a road authority while they are engaged in road patrol, repair, maintenance and construction;

BE IT FURTHER RESOLVED THAT a copy of this resolution be forwarded to the Minister of Transportation, the MPP for Temiskaming-Cochrane, MP for Nickel Belt, Association of Municipalities of Ontario (AMO), Federation of Northern Ontario Municipalities (FONOM), Rural Ontario Municipal Association (ROMA) and Ontario Good Roads Association (OGRA)

BE IT FURTHER RESOLVED THAT a copy of this resolution be forwarded to all Ontario Municipalities for support.
