OFFICE OF THE CITY CLERK

MAR 23 2018

Attention: Co-ordinator
Planning Committee

I do not agree in a change from "Medium Density Residential" to "Mixed use." I also, don't agree to the proposed Zoning By-law Amendment.

I live very close to proposed condo's to be built. I am strongly against the building of condos. The height and design of the proposed condos doesn't suit existing buildings in the Hamilton area.

I walk most days in the suggested areas, and proposed construction would hinder my independence and safety. I can't stress enough that zoning and building the proposed condos is a very bad idea!

Thank you for your time.

Sincerely,
John Smythe
