***Re: Protection of Municipally-Designated 'Whitebelt' Areas***

---

Dear Premier Wynne:

I am writing to express my concern about a recent motion that was passed by Halton Regional Council concerning designation of lands within the Halton Hills boundary. As you can appreciate, upholding a municipality's rights to plan and develop for the purposes of managing growth in a responsible, sustainable and strategic manner that best meets the needs of its communities is a fundamental role of the local planning authority.

Further, please know that public engagement is a tenet of Halton Hills Council and to this end I have led a citizen task force that resulted in the creation of a Public Engagement Charter. This document was approved by Council and speaks to the municipality's commitment to engaging its citizens in a transparent and participatory manner with appropriate notification to residents and specific vested interest parties on issues as appropriate. I would ask that any consideration by your government of the motion passed by Halton Regional Council would allow such time for a proper and thorough consultation with our Halton Hills residents.

To be clear, the Town of Halton Hills (the Town) supports the potential greenbelt expansion study area as currently defined by the Province. The Town *does not* support the Regional resolution and the request to extend the study area for Greenbelt expansion to include the 'whitebelt' lands within the inner ring until the appropriate analysis and review is completed. Further, the Region's resolution pre-empts its own Municipal Comprehensive Review which will include the growth management strategy up to 2041.

Your consideration in denying the request for Greenbelt expansion into Halton Hills lands is appreciated and failing this direction, I respectfully request that the municipality be allowed the time to consult with its residents and that these findings be included in the Province's consideration of this matter.

Sincerely,

A handwritten signature in black ink that reads "Rick Bonnette". The signature is written in a cursive, slightly slanted style.

Rick Bonnette, Mayor

**REGION OF HALTON – PLANNING & PUBLIC WORKS COMMITTEE MEETING**  
**February 21, 2018**

*WHEREAS the Greenbelt is an integral component of land use planning in the Greater Golden Horseshoe, complementing the Growth Plan to encourage smart planning, the reduction of sprawl, protection of natural and hydrological features and agricultural lands; and*

*WHEREAS the Province’s Advisory Panel chaired by David Crombie recommended that the Greenbelt grow to address the protection of areas of critical hydrological significance, such as key headwaters; and*

*WHEREAS the Province’s current study area for Greenbelt expansion has prematurely omitted areas under the most direct threat of development, known as the ‘whitebelt’ which is neither in the Greenbelt nor in the urban settlement area that contain such critical areas; and*

*WHEREAS a fulsome study of all potential Greenbelt expansion areas should be undertaken as part of this review in order to make the best, most consistent land use planning decisions across the Greater Golden Horseshoe;*

**THEREFORE BE IT RESOLVED,**

*THAT the Region of Halton commend the province for continued action toward growing the Greenbelt through the current consultation process; and*

*THAT the province be strongly urged to extend the study area for Greenbelt expansion to include the whitebelt lands within the inner ring, lands that are the most immediately vulnerable to development in the province; and*

*THAT that the province expeditiously grow the Greenbelt by incorporating appropriate whitebelt lands within the inner ring to protect our limited freshwater and natural heritage features; and*

*THAT this resolution be distributed to the Premier of Ontario, the Minister of Municipal Affairs, all Greater Golden Horseshoe municipalities, the Association of Municipalities of Ontario, Environmental Defence, Friends of the Greenbelt Foundation, the Ontario Greenbelt Association, Ontario Nature, Earth Roots, Eco Spark, and Save the Oak Ridges Moraine (STORM).*
