Meadowbrook Drive Repairs (Ward 12)

WHEREAS, modern winters appear to have accelerated the deterioration of Meadowbrook Drive, from Wilson Street to Jerseyville Road, as a result of increased frequency of freeze/thaw cycles and more extreme variability of temperatures; and,

WHEREAS, we have current competitively bid projects and prices available as a base for comparison and negotiation that can be used to ensure value for money on the award of the proposed works, and,

WHEREAS, given the current resources along with the time needed to complete a tender and award process, road improvements cannot be addressed within our normal process manner during the 2018 construction process;

THEREFORE BE IT RESOLVED:

- (a) That Meadowbrook Drive, at an estimated cost of \$900,000, be rehabilitated using asset preservation practices, with the work to include the rehabilitation of the existing asphalt with repaving; and,
- (b) That the Ward 12 allocation, in the amount of \$900,000 and previously approved from the Investment Stabilization Reserve Account (No. 4031811812), be utilized to fund the asset preservation of Meadowbrook Drive, and,
- (c) That the General Manager of Public Works be authorized to procure all or some of the proposed works identified through Procurement Policy #11 Non-Competitive Procurements, where deemed appropriate, to expedite the works for this construction season.
