RECOMMENDATION

- (a) That the City Solicitor be authorized and directed to prepare a by-law to amend By-law No. 11-080, updating Schedule "A" which lists the parks and recreation properties where smoking is prohibited; and,
- (b) That the By-law amending By-law No. 11-080 be enacted by Council.

EXECUTIVE SUMMARY

City of Hamilton By-law No. 11-080 Prohibiting Smoking within City Parks and Recreation Properties came into force on May 31, 2012 to prohibit tobacco smoking and limit the impact of tobacco smoke on persons using the City's parks and recreational properties, buildings and structures. This By-law was enacted to protect and promote the health of the public generally, and particularly children and youth, as well as protect and enhance the quality and use of City property.

This report serves to update Schedule "A" under By-law No. 11-080. It does not in any way change or limit the parts of the City to which the By-law applies. The Schedule of properties serves a two-fold purpose:

- First, the Schedule provides detailed physical address information to assist with inspections and progressive enforcement of the By-law; and,

- Secondly, it demonstrates a level of due diligence on behalf of the City in promoting and notifying the public of where smoking is prohibited under the By-law.

This annual exercise updates the Schedule with any municipal property name changes, address changes and “new” property acquisitions that have occurred over the preceding year. The additions identified for this year occur in four City Wards. The properties identified within the Schedule in the other Wards remain unchanged.

ANALYSIS AND RATIONALE FOR RECOMMENDATION (Include Performance Measurement/Benchmarking Data if applicable)

Schedule "A" to By-law No. 11-080 lists the physical location of properties, addresses, places and areas where smoking is prohibited under that By-law.

The Amending By-law replaces Schedule "A", which has been updated to reflect additional acquisitions and changes to City of Hamilton recreational properties in the past year.

Namely, the amendment to Schedule "A" includes:

2. Additional recreational properties acquired by the City:
 - a) Agro Park (Ward 15)

The existing Schedule "A" can be accessed through the following City of Hamilton web address: <http://www.hamilton.ca/parks-recreation/parks-trails-and-beaches/smoke-free-parks-recreation-areas>.

Schedule "A" will continue to be updated on an annual basis and the updated Schedule "A", as approved, will be posted on the City's website. This will ensure that future or proposed assets that are developed will be clearly outlined to the public and will also assist with enforcement.
