# GTA Garbage:

Coming soon to a  
site near you!

“Businesses, such as factories, restaurants, shopping malls, and property developers, and schools, hospitals and universities, are generating far more waste than they should.”

“They only recycle 15 per cent of their waste and send 6.7 million tonnes to landfill sites each year.”

*Diane Saxe*  
*Ontario’s Environmental Commissioner*

## Ontario's Demand The Right Coalition

**“Municipalities demand the right to approve any proposed landfill sites within or adjacent to their communities.”**

**Respect for municipal  
rights and authority**

**Municipalities have local approval over  
development, casinos, wind farms, and even  
nuclear waste disposal sites.**

**We almost got there  
will Bill 139**

Today **40**  
over  
municipalities  
have passed  
motions to  
Demand The  
Right.
