

Rural Mapping Amendments

The following properties were identified as having incorrect Conservation / Hazard Land Rural (P6), (P7) and / or (P8) Zone boundaries. They were brought to staff's attention through various means, including Site Plan Control applications, Minor Variance applications, and general inquiries. Staff reviewed Environmental Impact Statements (EIS), Conservation Authority regulated areas, Provincial mapping, and municipal aerial photos to determine the correct zone boundary locations. In some cases, only certain zone boundaries were amended for each property; in other cases, the entire zone was amended. See also Schedules "B1", "B2", "B3", "B4", "B5", "B6", "B7", "B8", "B9", "B10", "B11" and "B12" to Appendix "A".
