

CITY OF HAMILTON

NOTICE OF MOTION

Council: February 27, 2019

MOVED BY COUNCILLOR J.P. DANKO.....

Proposals for Waste Management

WHEREAS, the mandate of the Waste Management Advisory Committee shall be to: give overall guidance and direction during the preparation of the City's long-term Solid Waste Management Master Plan and advise Council through the Public Works Committee of the study progress and to receive feedback, advice and direction as appropriate.

THEREFORE BE IT RESOLVED

That all proposals for waste management including diversion, conventional treatment, thermal treatments or alternative technologies from companies or individuals interested in doing business with the City of Hamilton or modifying or creating waste management policy be referred to the Waste Management Advisory Committee for consideration.
