In follow up to your request, we would confirm that we have reviewed the above noted report and are satisfied that it includes all the necessary items to meet the requirements of Background Study under the Development Charges Act (D.C.A.). As noted in section 19 of the D.C.A., to amend an existing D.C. by-law, you are required to address items set out in sections 10 through 18 of the D.C.A. Section 10 provides for different items to be specifically addressed in the report whereas the remaining sections deal with process. A table has been provided within the report setting out the section 10 items and how they are being addressed.

We trust this is satisfactory for your needs.
