

**CITY OF HAMILTON
MOTION**

General Issues Committee: March 20, 2019

MOVED BY MAYOR F. EISENBERGER.....

SECONDED BY COUNCILLOR

Transit Service Levels

- (a) That the General Manager of the Public Works Department be directed to report back to the General Issues Committee (2019 Operating Budget Process) with the transit volume forecast for Ancaster, Binbrook, Dundas, Waterdown and Stoney Creek, based on the significant growth projected in those communities; and,
- (b) That the General Manager of the Public Works Department be directed to report back to the General Issues Committee (2019 Operating Budget Process) on how existing transit service levels vary, based on volume and demand specifically in non-area-rated service areas.
