Reason(s) for delegation request: To update council about the explorations of community leaders representing Sport Hamilton, McMaster University, the private sector and other notable not-for-profit and public sector institutions who have aligned with the goal of examining the merits of bringing the 2030 Centennial Commonwealth Games back to Hamilton, the founding city of the first games. As part of our update we would share our local group's plans to explore the self-financing of a potential games bid, as well as a high level vision surrounding the legacy of the games - which have the potential of providing unprecedented economic, social and cultural benefits to the City of Hamilton. If it is possible to appear on the March 20th, 2019 agenda that would be most appreciated.

Will you be requesting funds from the City? No

Will you be submitting a formal presentation? Yes
