Subject: Do not change the meeting times
Date: March 12, 2019 9:46:38 PM

Hello

I am writing to express my displeasure with the attempts by the Hamilton City Council to move their meeting times to 9:30am. The council works for the citizens of the city and should be doing all it can to make meetings as open, available and accessible to Hamiltonians as possible. Holding meetings during the work day is the exact opposite of that ideal.
