2580922 Ontario Inc. (Meir Dick and Ray Hutton), carrying on business as Arthouse Commercial Concepts GP. The applicant is leasing space at 286 Sanford Avenue North, Hamilton to McCallum Sather Architects and has undertaken leasehold improvements on 10,000 square feet of office space on the 2nd floor of the building. Prior the extensive renovations currently being undertaken on the building, it had been vacant for a number of years. McCallum Sather Architects was located in Hamilton at another location and have relocated its office and 40 employees to the subject building. This move is expected to allow for an expansion to 65 employees.

Branch HQ Inc. will occupy 10,000 square feet of the same building on the 3rd floor to create and operate a co-working space business and has also applied for a loan under the OTAP. The recommended loan for this application is detailed separately in Report PED19021.

The loan is based on the lesser of 90% of leasehold improvement costs (total leasehold improvement costs are estimated at $659,500) or, the square foot (in this case 10,000 square feet) multiplied by $25 (as the term of the lease is ten years). The lesser amount of the above two formulae is the square foot multiplied by $25 or $250 K.

The loan may be advanced in three stages, upon 50%, 75% and 100% completion of eligible leasehold improvements.

The loan may be advanced as follows:

(i) at the 50% completion stage the amount advanced shall equal the amounts invoiced for eligible improvements less 10% up to a maximum amount of 50% of the Loan amount;

(ii) at the 75% completion stage the amount advanced shall equal the amounts invoiced for eligible improvements less 10% up to a maximum of 25% of the Loan amount; and,

(iii) at the 100% completion stage the amount advanced shall equal the amounts invoiced for eligible improvements less 10% up to a maximum of 25% of the Loan amount.

Loan repayment will commence following the final advance of the loan and no later than four months following the first advance. The loan will be repaid over a five-year term. The loan interest rate will be 0% for the repayment term.

FINANCIAL – STAFFING – LEGAL IMPLICATIONS

Financial: Loans provided through the OTAP will be funded by creating a receivable on the City's balance sheet. As loan repayments are made, the receivable is reduced. Funding provided through the Urban Renewal Section’s Program Budget Capital Project No. 8201703100 is used to subsidize the interest expense. The estimated interest cost to the City over the five-year period is $43,750.00. As of March 1, 2019, Capital Project No. 8201703100 which is used to subsidize the interest rate charged on loans had a balance of $106,623.81.

Staffing: Administration of the OTAP can be accommodated within the Urban Renewal Section of the Planning and Economic Development Department as well as the Finance and Administration Section of the Corporate Services Department.

Legal: Section 28 of the Planning Act permits a municipality, in accordance with a Community Improvement Plan, to make loans and grants which would otherwise be prohibited under Section 106(2) of the Municipal Act, to registered/assessed owners and tenants of lands and buildings. A Community Improvement Plan can only be adopted and come into effect within a designated Community Improvement Project Area. Changes to a Community Improvement Plan or Community Improvement Project Area require formal amendments, as dictated by the Planning Act. The Downtown and Community Renewal Community Improvement Plan and Project Area, provides the authorization for the City to offer loans under the OTAP.

Prior to the first advance of funding from the City, the applicant will be required to execute a Loan Agreement and General Security Agreement. All documents and required searches will be developed and undertaken in consultation with Legal Services.

As projects move forward, it is sometimes necessary to amend previously approved loan agreements and any ancillary documentation. Therefore, staff recommends that the General Manager of Planning and Economic Development Department be authorized to amend loan agreements and any ancillary documentation, provided that the terms and conditions of the OTAP are maintained.
HISTORICAL BACKGROUND

City Council, at its meeting held March 10, 2010, approved an amendment to the Downtown and Community Renewal Community Improvement Plan which introduced the OTAP (formerly titled the Hamilton Downtown Office Tenancy Assistance Program), a program that provides a low-interest loan to either building owners or tenants for eligible leasehold improvements to office buildings. Initially the Program was offered to office buildings located within the Downtown Hamilton Community Improvement Project Area only. Since that time, a number of program refinements have been approved by City Council, the most recent amendment being the expansion of the Program to Community Downtowns, the Mount Hope/Airport Gateway, Business Improvement Areas and the corridors of Barton Street and Kenilworth Avenue, as identified in the Downtown and Community Renewal Community Improvement Project Area.

The intent of the Program is to facilitate the increased attractiveness and marketability of office stock, reduce the office vacancy rate by attracting new office tenants and owner-occupied office uses from outside the City, and assist existing businesses to expand.

The proposed project at 286 Sanford Avenue North, 2nd Floor, Hamilton, is an eligible project under the terms of the OTAP.

RELEVANT CONSULTATION

Staff from the Finance and Administration Division, Corporate Services Department and the Legal Services Division, City Manager’s Office, were consulted and concur with the recommendations included in Report PED19020.

ANALYSIS AND RATIONALE FOR RECOMMENDATION

Bankruptcy searches on the corporation and its shareholders were undertaken. Upon review of this and other documentation, staff is satisfied that the applicant has the financial capacity to repay the loan. Staff undertook due diligence with respect to undertaking a search to determine whether the applicant or shareholders of the corporation are in litigation with the City of Hamilton, whether property taxes are paid current, and whether there are any Building Code, Fire Code or Property Standard violations outstanding on the property. There were no issues with the aforementioned.

Appendix “A” to Report PED19020 identifies the location of the property.

ALTERNATIVES FOR CONSIDERATION

Decline the Loan

Declining the loan could negatively impact the financial viability of the project. This alternative is not recommended.
Approved a Reduced Loan Amount

Council may decide to approve a reduced loan amount. This would compromise the intent of the OTAP, as well as undermine the renewal efforts in general. This alternative is not recommended.

Financial: A loan totalling approximately $250 K would not be issued.
