I am writing to advise that Regional Council approved the following resolution at its meeting held on Thursday, April 25, 2019:

Resolution 2019-375:

Whereas the Provincial Government has made certain announcements relating to Public Health and the Paramedic Services system;

And whereas, the announcements do not contain sufficient detail to be able to provide commentary;

And whereas, the announcements have a significant impact on the delivery of public health services and Paramedic Services;

And whereas, the role of the municipalities is not clear in the announcement;

And whereas, funding has not been committed, neither quantum or source;

Therefore be it resolved, that this matter be referred to the Health Services Integration Committee to monitor the issue and determine the role of the Region throughout the roll out of the plans and work with staff to report back to Council on details of the proposal and projected impacts of change together with regular staff communication to Regional Council on emerging issues;

And further, that recommendations of the Health System Integration Committee and Regional Council be referred to the Government Relations Committee for further advocacy;

The Regional Municipality of Peel

And further, that the Chair arrange a round table meeting with the local MPP's to provide information on the current structure and funding model and the potential impacts of change to service delivery with changes to the structure and funding model.
