HISTORICAL BACKGROUND

At the June 5, 2012 Planning Committee and subsequent City Council meeting of June 13, 2012, a motion was approved to establish a Sub-committee of City Council to review those school board properties being declared surplus for disposition by a school board and report back to the General Issues Committee (GIC) with recommendations, including a financial strategy for potential acquisitions.

On April 18, 2019, HWDSB provided written notice to the City of its Proposal to Sell Real Property located at 155 Macassa Avenue, Hamilton, in accordance with Ontario Regulation 444/98. The City and other preferred agencies have 90 days to respond to the HWDSB as to whether or not they have an interest in acquiring the property.

POLICY IMPLICATIONS AND LEGISLATED REQUIREMENTS

The HWDSB, like other school boards in the Province, follows a formal established property disposal protocol for surplus Board owned properties that are intended to be sold, as governed by Section 194(3) of the Ontario Education Act and Ontario Regulation 444. Under this protocol, the HWDSB circulates notice of the proposed property sale to preferred agents including the City (as per Ontario Regulation 444).

City Council adopted principles (Portfolio Management Strategy, 2004) for property acquisition states “Property will be acquired in support of an approved program only. A budget item must be approved for the program, including the costs of the real property and operational impact, before action is taken to acquire property.”

In keeping with general municipal protocol related to potential surplus school sites, the School Board Sub-Committee is to establish and recommend direction with respect to all surplus school sites that may come available.

RELEVANT CONSULTATION

On April 24, 2019, Real Estate staff circulated a memorandum to all City Departments and relevant stakeholders concerning the HWDSB’s proposal to sell its property at 155 Macassa Avenue, Hamilton, in order to elicit their comments or future interest in acquisition of the property. There was no interest expressed in this property.
ANALYSIS AND RATIONALE FOR RECOMMENDATION

The property being offered has a building gross floor area of approximately 19,644 ft² (1,825 m²). It is located on the north side of Macassa Avenue, west of Upper Gage Avenue, and is improved with a school building.

Following consideration of comments from circulation stakeholders, there is no City requirement to justify the purchase of this school site. The local Ward Councillor has represented the local resident community support for and interest in acquiring the subject property. Landscape Architectural Services advised that acquiring 155 Macassa Avenue for use as parkland would result in a surplus of parkland being dedicated to the surrounding neighbourhood based on City policy.

City Divisions have provided valuable information respecting guidelines for the future use of the site. Staff will share this information with the HWDSB.

ALTERNATIVES FOR CONSIDERATION

Should Council determine that it wishes to pursue the potential acquisition of the property, staff would recommend the following:

(a) That staff be authorized and directed to advise the HWDSB of the City’s interest in the potential acquisition of the lands located at 155 Macassa Avenue, Hamilton, legally described as Part of Lot 7, Concession 5 Barton, Part 2 on Plan 62R19152, City of Hamilton forming all of PIN 17007-0170, as shown on Appendix “A” attached to Report PED19139;
