Heritage Inventory Timeline

Inventory Background

- Existing Inventory
 - Reflects 25 years of data
 - Inconsistent, static data
- Changes to the OHA in 2005

What is the Built Heritage Inventory (BHI)?

- **Proactive** identification of built heritage resources
- **Consistent** database of information
 - Improve **transparency** and **access** to information for property owners, citizens and staff
 - Facilitate **informed decision-making** and priority-based planning from staff and Council

BHI Objectives

Updating the Inventory

Properties that have been lost, modified or recognized under the Act

Listing on the Register

Properties whose heritage value lies primarily in the contribution they make to their historic context

Candidates for Designation

Properties that are historical, aesthetic or cultural landmarks of considerable heritage value
