Subject: Notice of amendment

Hi Mark my name is [REDACTED] I've lived and built our home at [REDACTED] since 1975 after seeing the notice of the proposed amendment to allow six town houses over a four-story mixed use condominium building I am 100% in favour of the new proposal The four-story mixed use does not make sense in our neighbourhood it overshadows the single-story homes adjacent to the 4 story building and privacy in all the back yards from Brock to Bond Street will disappear please consider this proposal [REDACTED]
