Re: 2019-2020 alPHa Executive Committee & Board of Directors

Dear Councillor Wilson,

The following is formal notification of your appointment to a two-year term as part of the slate of officers announced at the June Annual General Meeting for the Association of Local Public Health Agencies (alPHa):

Board of Health Representative, Central West Region
Councillor Maureen Wilson from the City of Hamilton

Councillor Wilson's term on the alPHa Board will expire in June 2021.

alPHa is a non-profit organization that provides leadership to the boards of health and public health units in Ontario. Membership in alPHa is open to the 35 public health units in Ontario and we work closely with board of health members, medical and associate medical officers of health, and senior public health managers in each of the public health disciplines – nursing, inspections, nutrition, dentistry, health promotion, epidemiology and business administration. The Association also collaborates with governments and other health organizations, advocating for a strong, effective and efficient public health system in the province. Through policy analysis, discussion, collaboration, and advocacy, alPHa's members and staff act to promote public health policies that form a strong foundation for the improvement of health promotion and protection, disease prevention, and surveillance services in all of Ontario's communities.

I would like to welcome you to the Board. I look forward to working with you to advance public health in Ontario. Please feel free to contact me regarding this letter at loretta@alphaweb.org or 647-325-9594.

Sincerely,

Loretta Ryan, CAE
Executive Director
