2. Eastport Area

This area is the southern gateway to the Fisherman’s Pier area. A variety of open space extends from the area of Hamilton Harbour under the Queenston Bridge to Eastport Drive. This area includes a potential boat storage area. Visions for this area are needed to make suggestions. There are many ideas, including an open space under the bridge, pedestrian and bicycle paths, and shared use of the area. This area can be used to accommodate new sports or recreational activities. Above is a view through the proposed ideas below and a proposal area. After that, notice the concepts for the area and select which one you would like to see for this area.
