

PETITION PUT FORTH TO THE CITY OF HAMILTON

We the residents of London Street South, Hamilton, Ontario hereby solicit the City of Hamilton to take immediate action to curb the excessive speeding that we are experiencing as vehicles race to beat the traffic lights at Ottawa and Main; and Ottawa and King street intersections.

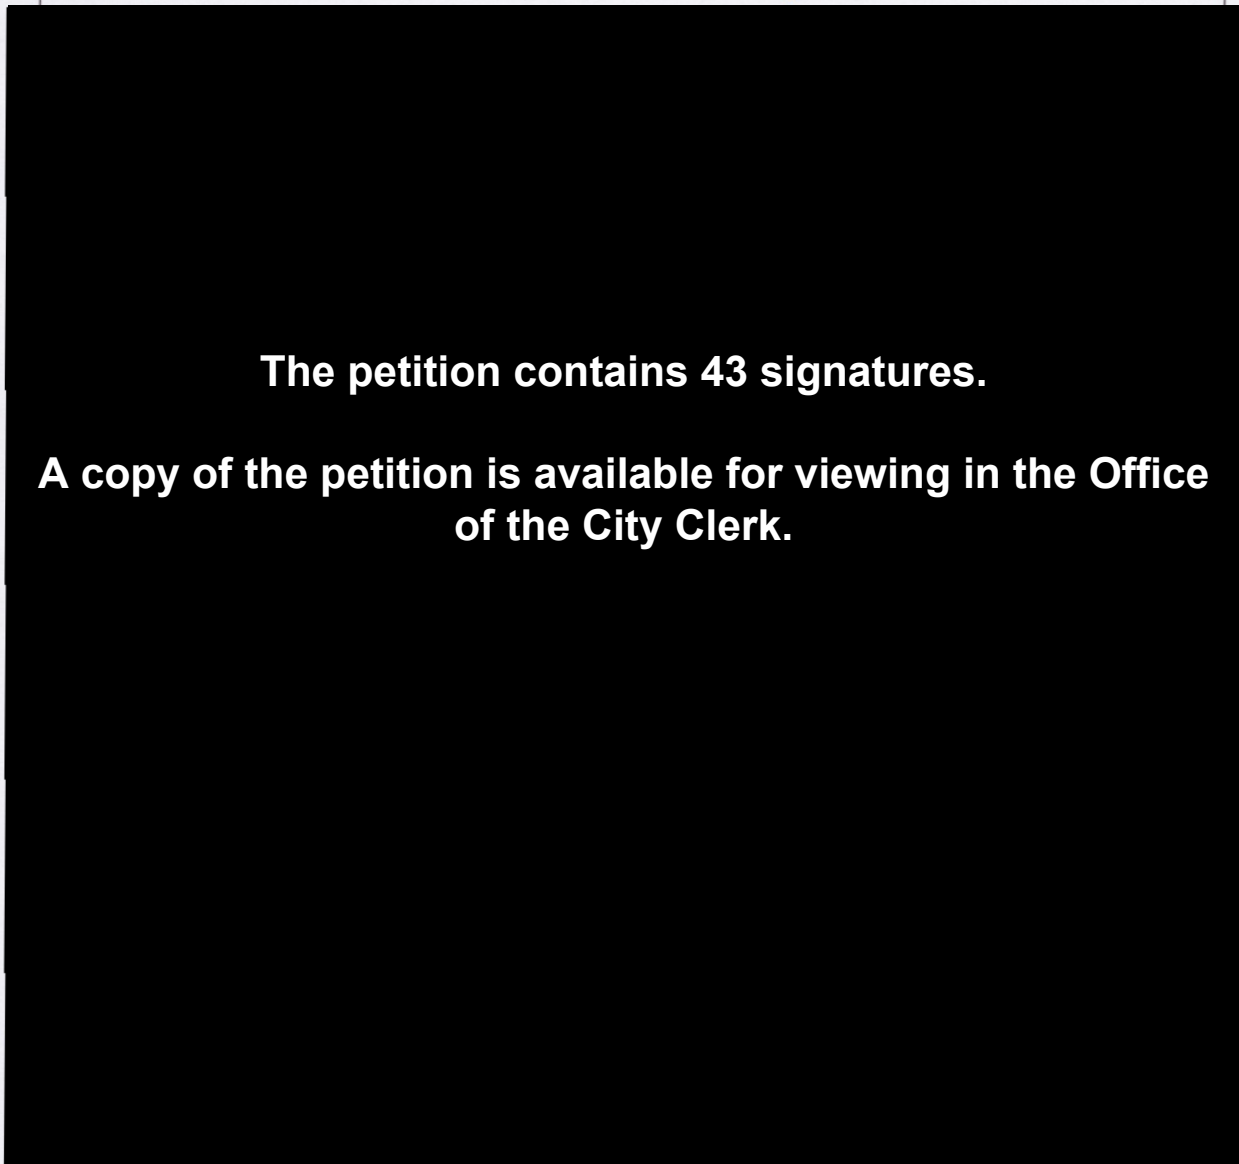

These speeders are creating very unsafe conditions on the street for all residences (including seniors and small children) that could result in serious if not fatal injuries. There is also a school located on London South between Central and King street (St. John's) which just increases the liability.

As well, there is a stop sign located on London Street South and Central right beside the school that very few drivers stop at.

Every year it gets worse and worse.

We ask the City to install Speed Bumps as well as post reduced speed signage on the street. The speed sign currently states maximum of 40 km.
