NOTICE OF MOTION

Healthy and Safe Communities Committee

DATE: June 25, 2018

MOVED BY COUNCILLOR M. GREEN.....

Pilot Project for Accessible Tricycles/Four Wheelers at the Waterfront

- (a) That staff be directed to report back to the Healthy & Safe Communities Committee on the feasibility of a pilot project to provide tricycles or four-wheelers at the waterfront to improve accessibility for seniors and people with disabilities;
- (b) That the report include the capital costs of purchasing ten tricycles or four-wheelers, to be located at the waterfront as part of the SoBi project, and open to other appropriate locations; and,
- (c) That the Seniors Advisory Committee and Advisory Committee for Persons with Disabilities be invited to comment on the above-mentioned pilot project.
