Proposed Community Hub – Multi-Sport Facility Development Project

Members of Council,

YWCA Hamilton strengthens women's and girls' voices, broadens their choices, builds dynamic leadership and provides essential and meaningful services that promote safe, inclusive, and equitable communities. We have made a commitment to deepen and expand our impact in the community through strategic alliances that support the delivery of accessible and inclusive services to enhance the quality of life of women and girls. This includes growth and development in our fitness and wellbeing programming.

We are pleased to express our support for the Community Hub – Multi-Sport Facility Development Project being proposed by the Hamilton Collaborative Partnership Group. We believe that the organization and community-at-large would benefit from such facilities for both recreational and competitive sport and recreation programs and services, contributing to a more healthy and vibrant Hamilton community.

Sincerely,

Denise Christopherson
CEO, YWCA Hamilton
