
Truck Route Reboot

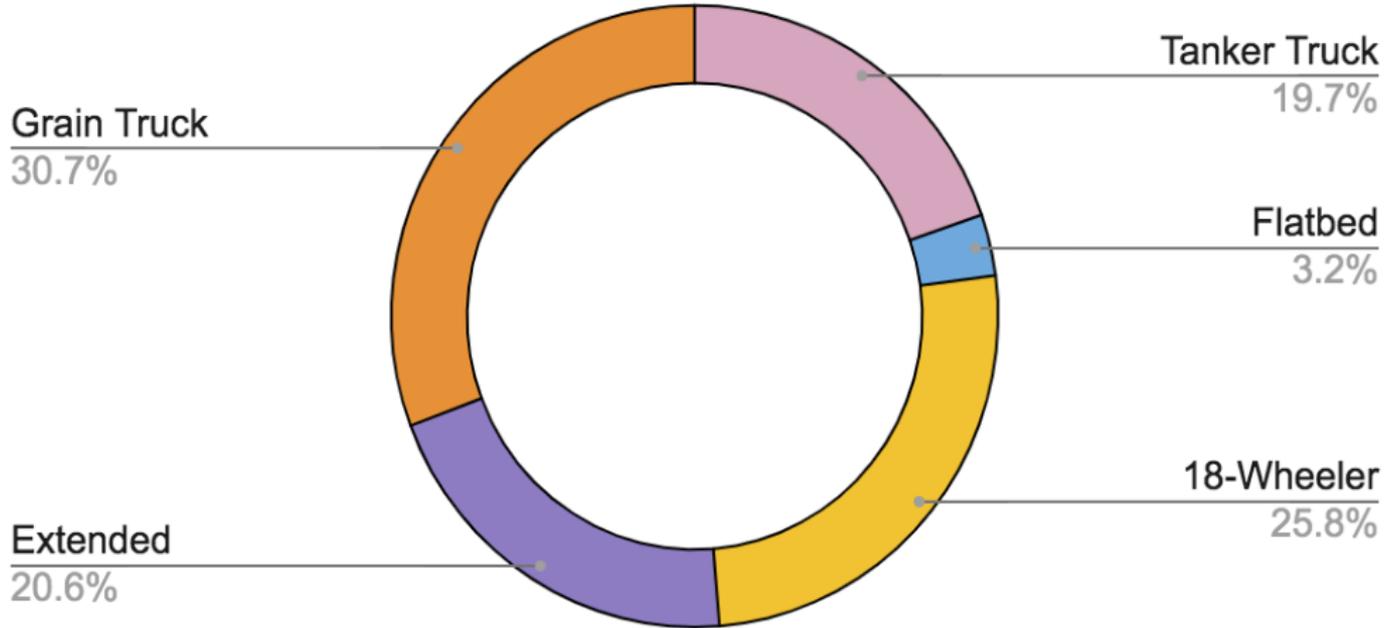

— A Response to the Truck Route Review
Study Update —

Industrial Trucks Pose a Health and Safety Concern for Pedestrians and Cyclists.

Barton St at Wellington Ave - Tuesday, Sept 10th, 2019

Total Number of Trucks: 305

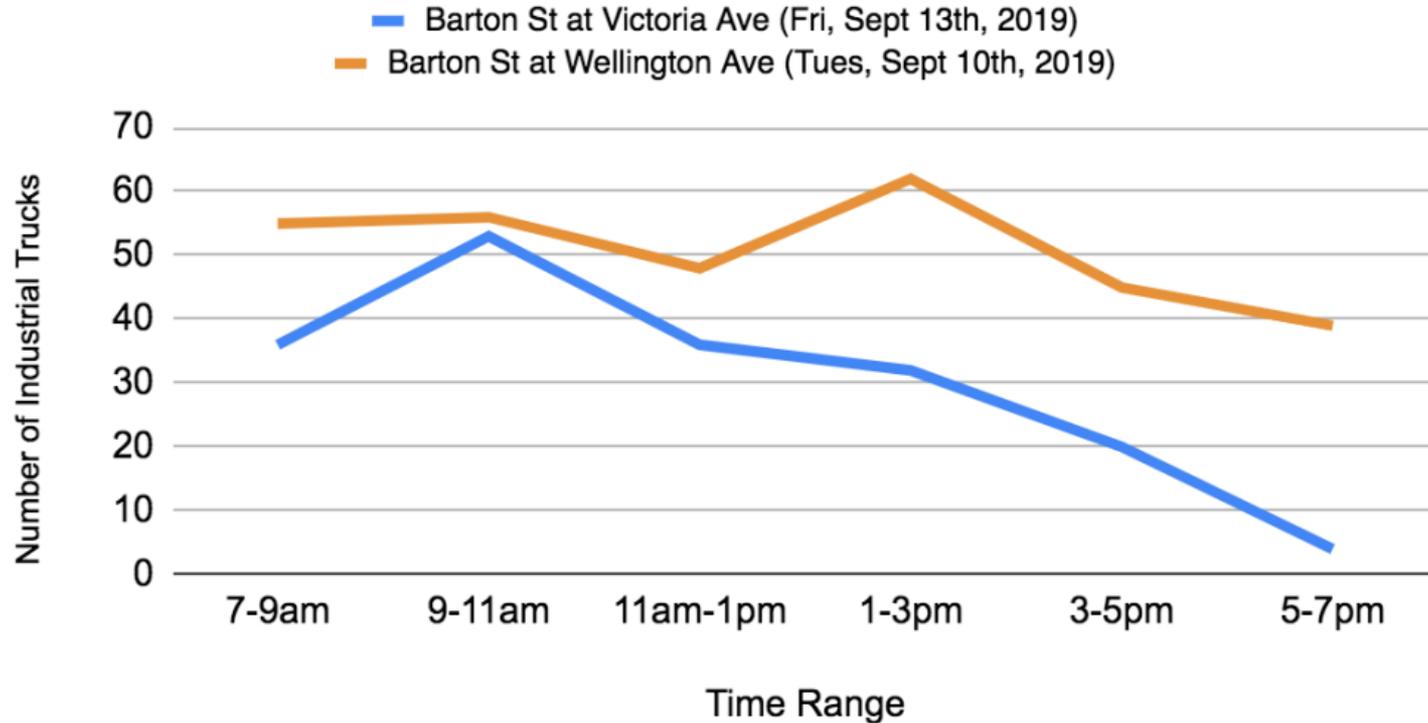

We've counted as many as 305 industrial trucks in one day. These passed by a Children's Hospital, the General Hospital, and many homes.

Industrial Trucks Impact Our Youngest Residents.

Number of Industrial Trucks Through the Day

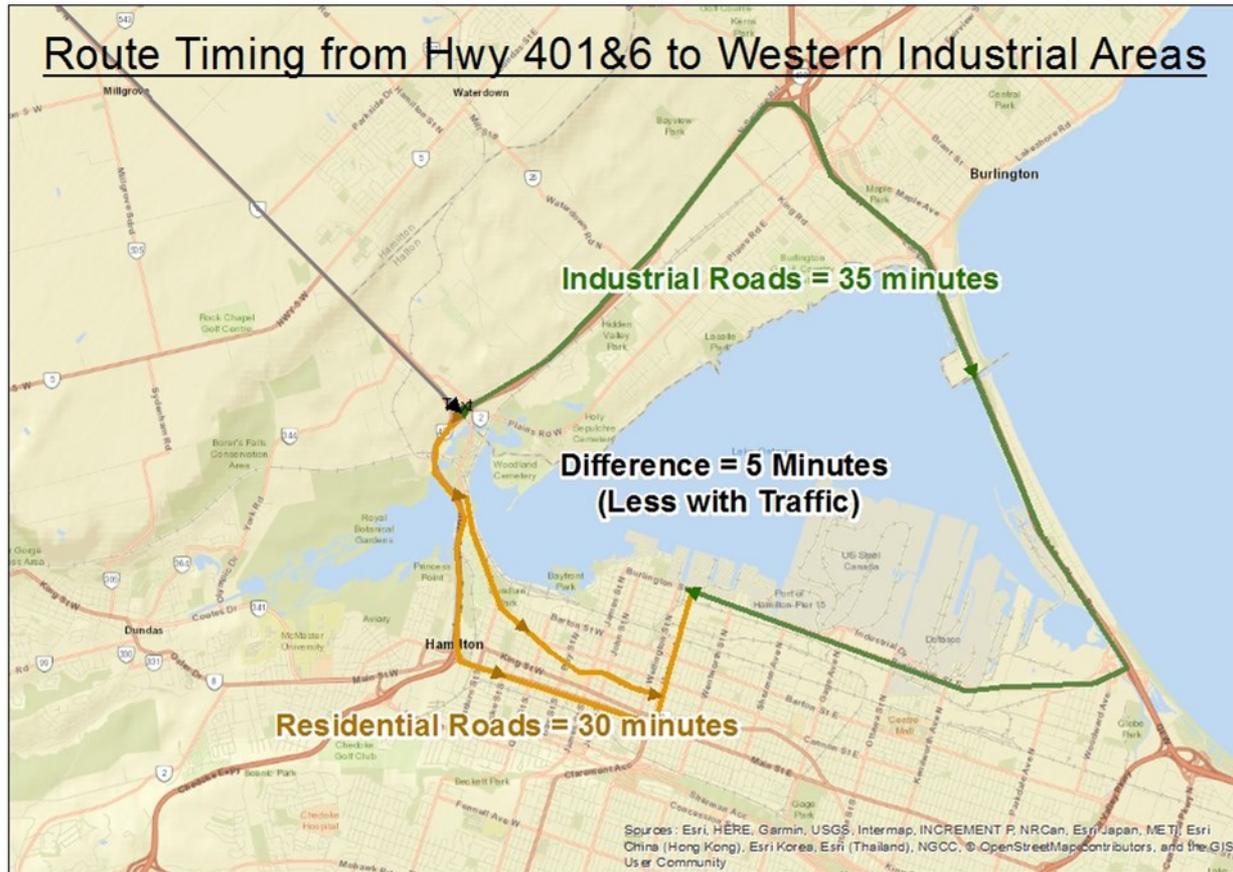

Peaks in industrial truck traffic occur at times when children are travelling to/from school and attending classes.

Diesel emissions are cancer-causing.

Route Timing from Hwy 401&6 to Western Industrial Areas

Shortcuts save less than 10 minutes in all examined cases. Negative health and safety impacts are more significant than these delays.

Hamilton's Community Groups Need to be Adequately Included in the Consultation
