**Reason(s) for delegation request:** To speak to the report by the CCCTF chair Trevor Imhoff, tabled at the Sept. 9<sup>th</sup> meeting re: consultation with the farm community thru the ARAAC. Bring forward my proposal from June? when I asked the Committee to form an ad hoc study group on agricultural contributions to reducing climate disruption. It would make sense to be delegating at this meeting not a future one as I am speaking to an item on the agenda.
