Reason(s) for delegation request: As a science teacher who has followed climate change for nearly 30 years, i would like to share some insights into this problem that have not been fully understood by the public. I have about 9 PowerPoint slides that i will go through. I can send the slides by email, and/or bring a flash drive with me. I will also do a simple demonstration involving a balloon that will pop. This is my first time requesting to be a delegate. The date is Wednesday December 4th at 9:30 am.
