Subject: Bonnington zoning

Cannot make your morning meeting , neither can some of my neighbours . I have owned my home for 23 years here on West 3rd St . Never have I seen such lawlessness . Properties in disarray , garbage everywhere , loud parties , racing through the streets , over-crowding in rentals , intimidation to neighbours , disregard for stop signs , parking on lawns , prostitution , and drug dealing .

What has happened ? RENTAL PROPERTIES . It is not my neighbours .

I have been steadily contacting the City over most of these issues . JP Danko must know my name by now .

There are 11 houses in our court , 2 are rental properties causing 100% of the trouble here . Just down the street , students are aplenty , and they disregard any neighbourhood values .

Seems that it takes a few stabbings and car crashes to get your attention (we must be exaggerating)

Please make a night meeting for our concerns . None of my neighbours even knew about tomorrows meeting , I only found out through FaceBook . Many of my neighbours are seniors who have lived here 50 years . They do not have the internet or a cell phone . Flyers or mail would help them to make a new evening meeting . Otherwise , it's just another small insignificant meeting that gets brushed under the table .

We pay our taxes , and we have serious concerns
