

Hamilton Cycling Advisory Committee

2020 Update

Hamilton Cycling Advisory Committee

Our Mandate:

- To advise City Council, through the Public Works Committee, on all matters related to cycling.
- To monitor implementation of the Hamilton Cycling Master Plan.
- To encourage and participate in planning for bicycling facilities.
- To encourage citizens to cycle instead of drive.
- To educate on the benefits and necessities of cycling.
- To integrate the work of area municipal bicycle committees.

Multi-Modal Transportation

- Climate Emergency
- Vision Zero
- The best place to raise a child and age successfully

Key factors associated with higher cycling potential are*:

- Trips of less than 5km
- Medium to high population density
- High destination density
- Medium to high cycling service density
- Relatively level terrain

Fun Fact: From City Hall, Ottawa Street and McMaster are 5km, about 20 minutes by bicycle, and are mostly flat

To encourage citizens to cycle instead of drive

Staying informed and engaged

- Cycle Hamilton
- New Hope Community Bikes
- Share the Road
- Dundas Rides
- Hamilton Bike Share
- Ontario Bike Conference

To encourage citizens to cycle instead of drive

The Future

- We want to work with you so our cycling network gets better.
- We want to give more advisement on infrastructure and policy.
- We want to learn more about how the city prioritizes cycling.
- How can you help us achieve these goals?
 - Any questions?
