**Reason(s) for delegation request:** Speaking to council on behalf of Moms in the city who are negatively impacted by the lack of snow removal that happens on major pedestrian sidewalks in Hamilton after a heavy snow fall. I have a large community of moms who have expressed frustrations and experienced injury due to residential and commercial properties not following current snow removal by law. We believe more has to be done by the city to ensure snow is removed in a timely manner in the best interest of all citizens.
