Subject: Re: Sidewalk Snow Clearance - request to participate in the review

To the Mayor and Members of GIC-budget

The Ainslie Wood Westdale Community Association (AWWCA) has had a continuing interest and involvement in the sidewalk snow clearing issue. Westdale was designed as a walkable community and has a very high proportion of pedestrians, especially students. Many of these students live in homes along the streets adjacent to McMaster. We would like to share our insights and experiences on sidewalk snow clearance.

As a result, by unanimous vote, the AWWCA has authorized this request to participate in the review of sidewalk snow clearance. Many thanks for your kind consideration of this request.

Yours very truly,

Scott Innes
on behalf of the Board of the AWWCA
